Foreword

It is with mingled feelings of pride and sorrow that we, the Seniors, have compiled and published this, the eighteenth volume of the Centripetal. Pride, in that it is a farewell tribute to our school; sorrow, in that it is our final activity as students of Central Catholic High School.

We, the Seniors of the class of 1938, sincerely desire that this volume of the Centripetal live as a memory of the friendships which we have made, of activities in which we have participated, and especially as a memory of our association with the members of the faculty, who have helped us in realizing the goal which was set for us four years ago.

Dedication

To the Fathers and Mothers who are living, and in memory of those who are dead, we, the Seniors of the class of 1938, dedicate this, the eighteenth volume of the Centripetal.

In this dedication we wish to express our gratitude for their numerous sacrifices which made possible our education under Catholic auspices, and very especially do we appreciate their making possible our graduation from Central Catholic High School.

Teach Us Thy Ways, O Christ Our King

Throughout the day from your Eucharistic throne You reign
As King of our school, as King of our hearts, and through

The silent watches of the night, in Your tiny tabernacle home
You keep hearts left lovingly at Your feet.

For Divine Teacher You are, and divine truths we would know
That in days ahead we be other Christs along life's way.

And when strengthened, we leave Central, grant us continue
In the Service of Christ the King,—In the Army of Christ the King.

Kenneth Croll '38.

Hear Us, O Mother of Christ

Virgin Mary, Mother of Christ, how lovingly your smile
Radiates throughout our Chapel of Christ the King.

Nestled, almost, in that corner, your calm, sweet face
Glowing with the light of virginity beckons thoughtful students

To whisper their youthful joys and sorrows.
And when their cares you've smoothed away

Or shared some trivial joy, a simple prayer they say—
"Thanks, Mary, Mother of Christ our King."

"Go Ye Forth, Seniors of 1938. Let Your Souls Shine with the Teachings of Central Manor"

Central Catholic High School is not Central Catholic High School, it is Central Manor; for the Lord of the Manor is Christ, the King; and the students of the Manor are His Vassels.

In the fall of 1927 smaller feet crossed Parochial School steps, and there, in full battle array, were admitted to service as Pages in the household of Christ, the King. For eight years the Pages were trained in minor duties in preparation for greater tasks. At the age of fourteen, these Pages passed through other portals—those of Central Manor.

There, up spake a High Knight, whose distinctive shield showed he had been in his Lord's service many a year, "Wherefore comest thou unto us? Dost thou not know that to pass through these portals means the willing acceptance of greater tasks in your Lord's service?" But the youthful Pages did not turn, for they were strong and brave.

With decision they took unto themselves the glorious title Squire. Thus they began intensive training in the more intimate services of the Lord. The Squires of the class of '38, with true loyalty, and love for the Lord dominating their lives, led the younger Squires to the foot of the altar—the consecrated throne of the unseen Lord of Central Manor.

Of yore when Knights were wont to go forth into battle, they spent a lonely vigil before their Lord, and then received the blessings of the bishop. A cross was given them to remind them service was to be their lot. Their armor, sword and banner were then blessed.

"Follow the Christ, the King, live pure, speak true, right wrong, Follow the King, else, wherefore born?"

The vigil of the Squires of the class of '38 was the Senior Retreat in the Chapel of Christ, the King. These days were in preparation for the ceremony of knighting, when on the third morning, Seniors were solemnly inducted into the courts of Christ, the King; and Christ sealed their pledge of loyalty with His own Body and Blood. Their shining armor was character, inspired by their spiritual Guide; their sword was knowledge, blessed by the principles of four years of divine teaching; their banner was the selfsame banner Knights and Ladies of yore had shed red blood for—the crucified Saviour.

At last they are Knights and Ladies—their armor and sword glistening—their spiritual vigil placed upon His throne—the Lord of Central Manor—Christ, the King.

The last command their Lord gives them, "Go ye forth in shining armor. Let your soul shine forth with the teachings of Central Manor!"

And they recall the words of the High Knight on their entrance, "Wherefore comest thou unto us."

And now, only memories remain—only a short time ago, it seems, we entered Central's portals for the first time. Three hundred and forty-five Freshmen, shy and frightened at such a huge institution. But not for long, for we showed our true colors in the Turkey Raffle in which we were "tops."

Then, before we knew it our Sophomore year was upon us. When one of our own classmates, Thomas Cater, won the Spelling Contest the entire student body took notice of the three hundred and fifty-one up and coming Sophomores. Our literary talent was displayed to the public for the first time also in the Sophomore Short Story Contest.

Realizing that we really had literary ability the English department decided to transfer the Short Story Contest to the Junior Class, which now numbered 331. No sooner had we completed this project when the Junior Centric captured our attention. Intent on outdoing the Senior Class we scoured the building from basement to cafeteria in an effort to obtain "scoops." Our boys also demonstrated athletic prowess on the gridiron, baseball diamond and basketball court.

Swiftly, surely, the years sped by—but Seniors! We thought they lived forever—it's hard to believe all is over—Our class now numbering 311 started out with a bang. By the the time the first issue of the Centric appeared our class officers were elected. The Aubrys-Miriam and Harold were again found at the helm assisted by Kenneth Croll and Ruth Eberly. When the Senior rings arrived, the thrill of our Seniority was doubled. Then, with the class play "Secret Service" we decided to take a trip to the sunny South. No sooner had the Centripetal staff been announced than we visited Japan to view our operetta "The Mikado."

In May, as we eagerly awaited the arrival of the first Centripetal, we chose Kenneth Croll as our Valedictorian and Ethelyn Patton as Salutatorian, then settled down to Senior Retreat and greeted June with the Breakfast and finally Commencement.

And so it is with a feeling of satisfaction at having done our part in maintaining the traditions of Central and yet with pangs of regret that we leave to the underclassmen our places in the school that will always be dear to our hearts.

The Juniors

The three hundred and nine Juniors have successfully completed their third year at Central Catholic High School under the able guidance of William Sanford, president. He was assisted by Patricia Sullivan, vice-president; Patrick Hagerty, secretary, and Anna Mae Bader, treasurer.

Some notable achievements of this class were: the winning of the "All-Central" awards by many Junior rooms; the prowess of the Junior boys as exhibited first on the football field and later on the basketball floor; and topping the Seniors a few times on the 5-A honor roll.

Further accomplishments of the third year class were: the Band, Orchestra, and Glee Club in which they played an important part; the research essays which uncovered a variety of interesting and little talked-about subjects; and, to finish off the year right, the Junior Centric, which very nearly meets the standard set by the Seniors.

We, of the senior class, wish these Juniors continued success next year, when they take upon themselves the tasks we reluctantly leave behind. Seniors of tomorrow, we salute you!

The Sophomores

With the closing of the school year the Sophomore class, numbering three hundred and sixty-four, reviews its activities with great satisfaction.

Following the example of the Seniors, the Sophomores chose to be led by twins, Mary and Richard Burnett, president and vice-president, respectively. Dora Matlock, secretary and Harold Mouch, treasurer, completed a well balanced staff.

Aside from their regular routine of daily class activities the attention of the Sophomores was also focused on the extra curricular activities in which they were well represented. Their dramatic and literary talents were displayed in the annual operetta and the creative writing contest, which was substituted for the short story contest, a former Sophomore activity.

In the Mission Drive, sophomore conference rooms took the highest places, while in the Catholic Chronicle drive James Perkins placed high among the school leaders.

Twenty-one students from this class earned places on the "Five A" list at the close of the first semester.

Having completed their second year at Central, the Sophomore class is eagerly awaiting the 1938-39 school term, to give their utmost as Juniors.

The Freshmen

It is with a feeling of satisfaction that the Freshman Class of '38 can look at the passing school year. This class as all preceding Freshman classes, perhaps felt strange during those first few weeks. However, by following the able leadership of the upper classmen they soon acclimated themselves to the student life and activity of the school.

They marched with the upper classmen to hold election for their class offices and so well were the candidates chosen that they may be regarded as the show-windows of the Freshman Class. From the list of twenty-two nominees Joseph Sheperd was chosen to lead the Freshmen through their first high school year. Completing the staff were Pascualita Geronima, vice-president, William O'Brien, secretary and Elizabeth Schultz, treasurer.

In conduct the Freshmen led the school having one of its rooms demeritless at the end of the first semester. All other activities found the Freshmen doing their share. Donald Wilhelm led the school in the Catholic Chronicle Press Crusade as well as being third highest in the diocese.

Since the Freshmen of today are the Seniors of the day after the day after tomorrow, Central Catholic High can look with pride on the Senior Class of '41.

So, march on, you 443 brave, through the years to the glorious fourth.

In Memoriam

Mrs. Chas. Culpert

Mrs. Charles Culpert, member of the maintenance staff, died on January 25, 1938 while serving in the capacity of cafeteria manager, a position which she held for four years. During her seven years at Central, Mrs. Culpert became the friend of hundreds of students who will long remember her for the motherly interest which she showed in them. It is the prayer of the faculty and student body that she is now enjoying the eternal reward of a life of service. May she rest in peace.

Organizations

The Student Spiritual Council

THE STUDENT SPIRITUAL COUNCIL which includes all the spiritual committees of the school is the most important of all extra curricular activities. During the current school year the Council was headed by the Reverend John L. Harrington, moderator, William Cameron, prefect, Catherine Sopko, vice-prefect, Ethelyn Patton, secretary, and John Burnett, treasurer.

THE CATHOLIC ACTION COMMITTEE sponsored assemblies and moving pictures and encouraged early mass attendance. Sister M. Hortense, O. S. F., supervised the Committee.

OUR LADY COMMITTEE supervised by Sister M. Austin, R. S. M., had charge of distribution of pamphlets and Queen's Works.

THE SAINT JOHN BERCHMANS SANCTUARY SOCIETY is composed of 244 acolytes who serve at Holy Mass. The Reverend Joseph D. Shenk is moderator of the Society.

THE EUCHARISTIC COMMITTEE under the supervision of Sister M. Louis, S. N. D., handled acolyte appointments, spiritual bulletin board appointments, and tabulation of Masses.

THE MISSION COMMITTEE directed by Sister M. Austin, O. S. U., sponsored the Christmas Seal Drive, Mission Drive, and Christmas baskets.

SAINT HILDA GUILD composed of girl art students in Sister M. Hilda's, S. N. D., class took care of the altar and sanctuary lamp and the making and care of vestments and altar linens.

THE SAINT VINCENT DE PAUL SOCIETY is a branch of the larger organization in this city. The Society collects magazines and clothing for distribution among the needy.

The Student Council of Central has long been one of the outstanding organizations of the school. It has as its purpose to bring to light and into action if possible, by means of picked representatives, the wishes and opinions of the student body.

During the course of the year, the council directed the civic activities in which the students in general participated. Included among these activities were the Catholic Chronicle Subscription Drive, Red Cross Drive and the Community Chest Campaign.

The Chronicle Subscription drive is one of the most important campaigns of the school year. Under the council's leadership, Central placed high in the diocesan high school division.

Hall patrol and traffic officers who were chosen from this organization, effectively supervised the "Up and Down" system for regulating traffic on the stairways between classes. To keep the "Up and Down" system permanently established in the school regulations, the Student Council with the aid of Father Dunne's mechanical drawing class installed permanent metal signs designating the up and down stairways.

Tag Week, introduced last year, was even more successfully carried on this year by the Student Council. The Junior members of the council again sponsored the traditional Color Day activities on October 22. Among the purely social activities sponsored by the council were the Thanksgiving Day and St. Valentine's Day dances. Both gatherings were socially and financially successful. Besides ushering at student assemblies the members of this or-

ganization directed ushering at the Senior Play, Musical Comedy and at the annual May Festival of the Catholic Elementary Schools.

The Junior Motion Picture Club was first brought to the attention of the council this year when Clayton Grosjean, a Senior member was elected vice-president of the city wide club. There are now seven Student Councils represented in the Motion Picture Club.

The executive staff was headed by Harold Aubry as President. He was assisted by John Anderson, vice-president, Miriam Aubry, secretary and Rose Ann Bettinger, who handled the funds of the organization.

The student council is sponsoring the selection of candidates for the Buckeye Boy State in which Central will have two student representatives.

This is a state-wide experiment in representative government and is held at Columbus. Delegates are chosen by various posts of the American Legion.

Pond Post No. 99 is sponsoring Francis Sullivan and the Vernon McCune Post will select one of the three eligible candidates, Robert McMahon, James Gill or Francis Sieloff.

Sister Mary Jeanne, S. N. D., is the faculty superviser of the organization, which well deserves to be called the nucleus of Central—the Student Council.

The Centripetal

While the editing of a year book is primarily a Senior activity, the book itself is by no means restricted to the Senior Class. It is the aim of the Centripetal staff to present to the student body as a whole an accurate portrayal of days spent at Central, of friends with whom they have become acquainted, and activities, both curricular and extra-curricular, in which they have participated. In short, it is the aim of the Centripetal staff to try to present the spirit of Central Catholic High School in one small volume. To the Seniors it is a pictured memory of teachers and faculty members who have impressed on them the ideals that have developed the Seniors into salable commodities on life's market. To the underclassmen it will serve as a definite record of another year's activity.

The first problem confronting the Seniors, before work could even begin on the year book, was that of finances. "Is the ad campaign going to be a success?" For a while the answer to this question seemed dubious, but, with sudden zip, the Seniors came to life and reached a total of $1075, aided by spirit such as that shown by John Hofmann who solicited nearly $100 of ads. Out of the 149 Seniors who participated in the campaign by bringing in at least either a patron or a $2.50 ad, 85 reached the individual quota of $5 per student. However a great deal of the credit for the success of the drive must be given to only 13 students, whose combined efforts netted $394 worth of ads. Those who were responsible for this remarkable amount of work listed on basis of returns are John Hofmann, Robert Brannan, Catherine Sopko, Walter Karpanty, James Fitz Gerald, Rita Fournier, John Burnett, Mary Risch, Anita Hehl, Harry Mikesell, Robert Hoffman, Francis Haugh and James Blake.

As soon as it was seen that the ad campaign was going to be a success, selections of the editorial and business staffs were made in order to get the work under way as soon as possible. Robert Brannan was selected as Editor-in-chief with Kenneth Croll and Catherine Sopko as Associate Editors. The business staff was placed under the charge of John Hofmann with John Burnett as assistant business manager.

The positions of Senior editors were capably filled by Elizabeth Booker, Anna Marie Smith, Robert Kraemer, James Blake, Marie Haas and Catherine Hughes, while Robert Hoffman was held responsible for the position of advertising manager with Edward Hunter as his assistant.

Members of the organization staff of the '38 Centripetal proved invaluable regarding the amount of work done. This staff was composed of Robert Wirtz, Francis Canelli, Margaret Schmidt, Kathryn Patton and Gerald Luken.

The art work of the Centripetal is under the supervision of Sister Mary Hilda, S. N. D., and the editorial work is under the supervision of Sister John Berchmans, O. S. U.

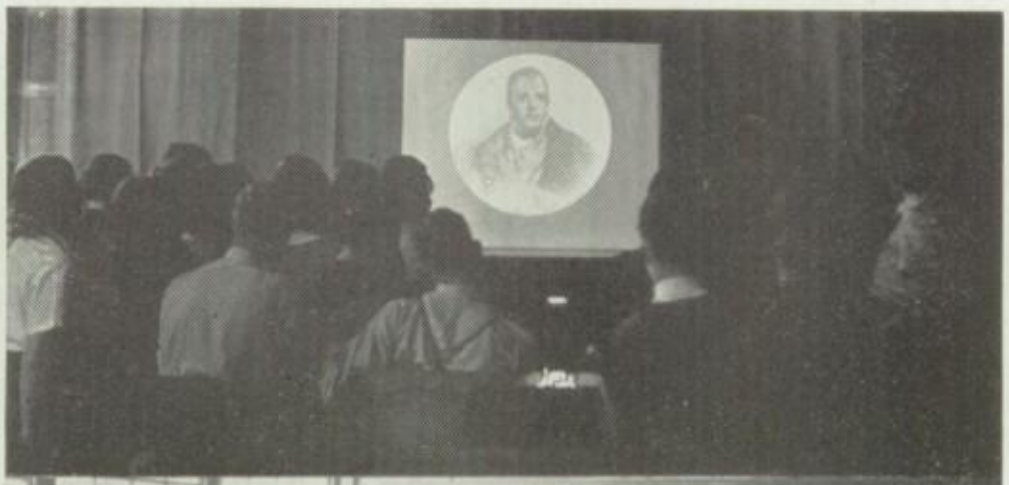
English Department



Visual education plays an important part in the Senior English Literature classes. This is one of Sister M. Magdalene's classes viewing the writers of the Victorian Period.

In their study of American Literature, these Junior English students in one of Sister M. Callista's classes dramatized several twentieth century plays.

The photographer snapped the Freshman girls 5-B English class in room 115 during one of their "hobby lobby" sessions. In some of the past weekly sessions oral reports on hobbies have been given by this class, which is taught by Sister M. Wilhelmina, O. S. U.

The Junior boys of room 220 are demonstrating informal debating. The chairman of the meeting is Alvin Rutkowski and George Beeley is the debater, standing.

Sister Miriam, O. S. U., teaches this group of Junior boys at the eighth period.

Language Department

Latin

A descriptive passage in Virgil's "Aeneid" probably holds the interest of these senior Latin students—members of the Latin Club which has existed at Central for many years. The aim of the club is a deeper realization of the beauty of the Latin language both in the Holy Mass and Christian writings, as well as in the ancient classics.

Reverend Arthur T. Schmit is superviser of the club.

German

Members of the German club who participated in a skit "At the Optician's" which was presented at a Christmas party are shown here. The club named "Deutscher Verein" is composed of students in the German classes. Its purpose is to foster an appreciation for German literature, art, and music.

Sister M. Hortense, O. S. F., is superviser of the club.

Spanish

Pan American Day is always celebrated in a festive way by the students of the Spanish classes. This group is singing "Alla in el Rancho Grande" accompanied by Pascualita Geronimo's guitar. Cultural training forms an important part of these students' education, who take as their motto—"He who knows two languages is worth two men."

French

Here we see a group of girls, members of the third year French class who stimulated their own imagination by presenting some of the fables of LaFontaine in their Theatre of Marionettes. For them, French means a great deal more than grammar abstractions. Their motto, "En Avant" has brought them many happy moments spent with French authors. Their smiles are indicative of French gayety.

Sister M. Roselma, O. S. F., supervises the French and Spanish clubs.

Centripetal Staff

The Centric

KENNETH CROLL
Editor-in-Chief

Editing the bi-weekly school publication, the Centric, was the chief function of the journalism classes. While the staff positions are assigned only to the members of the journalism classes the entire student body is encouraged to contribute articles for publication.

Fourteen issues were published during the school year, giving a complete picture of student activities.

"Keeping one step ahead of the news" has been the motto of the efficient corps of writers who were responsible for the publishing of the paper. Never did the reporters leave "a scoop, unscooped" from the Freshman to Senior classes, or from the science to gym classes in their coverage of the news of the school. Distance was no impediment to these reporters in their coverage of alumni news which was published in "The Centragrad," the paper within a paper.

In addition to developing general ability in news writing several members of the staff blossomed into first rate verse writers. Lucille Tremblay, Beverly Haley and Gladys Bondy became quite skillful in the art of poetic expression.

Kenneth Croll, as Editor-in-chief of the Centric, was not only back of the publication all the time, but he was in front of it, on the sides of it and in it.

Assisting the Editor-in-chief were the associate editors, Beverly Haley, Margaret Rees and Gladys Bondy. Doris Schisel and Lawrence Humphrey, copy editor and managing editor respectively, greatly aided the editors in their work.

Handling the accounts of the athletic teams, with its many victories and few defeats, were the three Roberts, Sports editor, Brannan, and his two assistants Amon and Lennex.

While the editorial staff was busy editing the paper, the business staff under the direction of Catherine Sopko helped to make the Centric a success in its ad and subscription campaigns. Doris Schisel's work in the ad campaign gave the proverbial boom to the business staff. Completing the major business staff positions were Edward Kiefer, advertising manager, whose persistent manner in handling ad collections was an asset to the staff and Florence Zak, circulation manager. The nimble fingers of Margaret Rumpf, staff typist, were always ready to fly over the keyboard to dash off a story of one of the hopeful journalists.

The Centric is a member of the Quill and Scroll, Catholic School Press Association, and the National Scholastic Press Association. The issues published during the first semester were submitted to the National Scholastic Press Association's critical survey with publications of other high schools throughout the country to receive national rating. In this survey by the N. S. P. A. the Centric has been awarded the **All-American** honor rating, for the second consecutive year.

The entire volume of the Centric will be sent to the critical survey of the Catholic School Press Association, conducted by the Marquette School of Journalism, Milwaukee, Wisconsin.

Sister John Berchmans, O. S. U., is faculty adviser.

Science Department

Chemistry

The laboratory is the center of activity in the Chemistry course. Here the laws of science and chemistry in action are observed and studied. By means of experiments, challenging problems are thoughtfully and carefully solved.

Jean Bigelow, a student in this laboratory group, is the winner of the fourth prize in a contest conducted by the Current Science Magazine.

Physics

If you are troubled with the ever common urge to find out just what makes a watch tick or what principles underlie such things as the flow of an electric current or the operations of a steam or gas engine, Mr. V. C. Fischer is the man for you to see. As instructor of Physics at Central he lets you in on the wonders of our world, such as the fact that light travels at 186,000 miles per second, that sound travels faster through solids than air, that a bullet fired parallel to the earth and one dropped from the same height will hit the ground simultaneously.

One of the main projects of the members of the Physics classes during the year is the writing of a 3000 word term paper.

Biology

Hard at work learning the why and how of animal and plant life are the students in Sr. Agatha's biology classes.

To further their biological knowledge the students dissect specimens submitted to critical examinations under the microscope.

When the above photograph was taken the students were engaged in that particular phase of Biology which deals with the human body.

This division of the course proves to be exceptionally interesting because of the life-like models and charts used to explain the work.

History Department

The History department at Central includes the general fields of Ancient, Modern, and American History. Students in these classes endeavor to make their classes more interesting through various projects including the carving of articles in use during the period of history studied, museums of relics and antiques contributed by students, current event meetings, and essay projects.

Since the last twelve weeks of the school year are spent on American government in the American history classes, the Seniors participated in an essay contest sponsored by the city of Toledo. The subject of the essay was "How the City Spends Its Tax Dollar." Earlier in the year all the history classes participated in an essay contest sponsored by the American Legion on, "My Responsibility as an American Citizen."

During the course of the day twenty-four history classes meet, eight classes being held in each of the major fields. The history classes are taught by five Sisters of Mercy.

These Modern history students are the contributors to the History Museum in 219. Among the articles pictured are a musket used in the Spanish-American War, swords of the Franco-Prussian War, and a Bible printed in 1823. In the flag collection is an American flag taken from the grave of the one woman executed with the group for the assassination of Abraham Lincoln. Also, can be seen some foreign coin collections.

Sister Mary Austin, R. S. M. is the Modern history teacher.

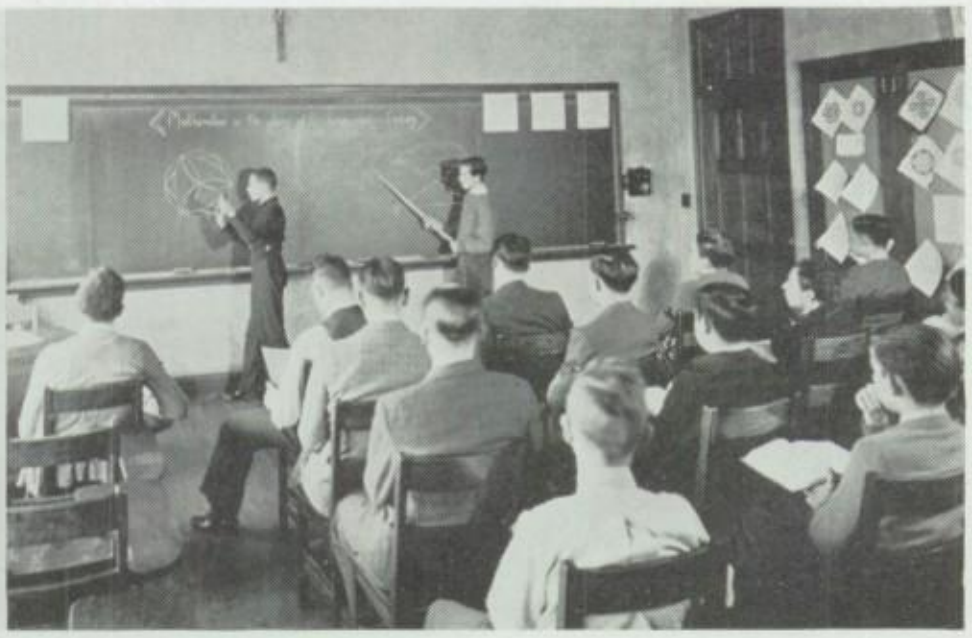
"The meeting will now come to order," states the presiding chairman, Robert Hoffman. "The first speaker will be Marguerite Rees."

This is the usual procedure every Friday in the American history classes as they hold their regular current topic meeting. The students show great interest in these meetings, choosing their topics, making their speeches, and conducting open forums after the speeches. The meetings are always cut short by the bell.

Sister Mary Gertrude, R. S. M. and Sister Mary Germaine, R. S. M. teach American history.

This Ancient history class in 217 is holding a side-walk interview. They have transported themselves to ancient Greece and the announcer is asking questions regarding local topics of the times. An example of the type of question asked is, "What do you think of the way the sides are matched in the war with the Persians?"

Eugene Louisa is the announcer. This is one of the classes taught by Sister Mary Neri, R. S. M.



Mathematics Classes

Students of the Math Department completed many useful projects during the course of the 1937-38 school year.

They were profitably occupied in preparing booklets showing the application of Math in the home, in industry and in nature. They secured first hand information on "What Part Math Plays In These Fields," by interviews with people in the industrial field. Taking on the task of editing a Math paper, "The Al-geo-Trig," added to the interest of the subject.

An original Geometric Design Contest was held by the geometry classes. The picture presents a display of the designs submitted by the geometry classes taught by Sister M. Constantia, O. S. F.

Bookkeeping Class

The purpose of the bookkeeping class is to teach the fundamentals of bookkeeping and the duties of the bookkeeper in business. These principles are taught more through explanations and examples than through books. A work-book is used in connection with the text-book, which provides study guides and exercises supplying the necessary drill. Three practice sets are used during the course, each set more advanced than the former. In using these the students act as bookkeeper for a firm and complete transactions which are part of the everyday work of the bookkeeper. Sister M. Jeanne, S. N. D., is instructor.

Typing Class

Ticking away at their typewriters this group of first year students, under the supervision of Sister Mary Thomasine, S. N. D., is trying to produce more copies to be placed on the bulletin board in the rear of the room. As only completed budgets, perfect in every detail are displayed, there is always a strong incentive for doing the best work. The large number of budgets shown gives evidence that the boys and girls are striving for accuracy and efficiency.

Art Department

Training in the fundamentals and principles of art tends to the general enrichment of human life. It has as its purpose the development of appreciation for the beautiful and the power to produce beautiful things.

The art department of Central is divided into two main branches. The boys' department, situated in the Mechanical Arts Building, on Mettler Street, is under the supervision of Mr. L. E. Thuel. Its course list includes commercial designing, sculptoring, plaster modeling, and wood carving.

Sister M. Hilda, S.N.D., is the faculty superviser of the girls' art department in Room 205, which offers a complete course, covering four years, including specific instruction in visualizing, composing, drawing, coloring, construction and perfect technique.

The first year course includes all types of lettering, designing, and free-hand still life pen sketching. The course for the second year offers a thorough study of designing and poster work, instruction in the liturgical arts by means of study and practice.

Since the junior and senior classes are held jointly, the course of study is very broad. They complete the course of still life water color sketching as well as a thorough study in costume designing and personal measurements and a study of nature in pastels.

Five pictures on the panel, two at the top, one in the center and two at the bottom show various groups of senior and of junior art students working with still life water color sketches; the other two show the freshmen applying their study of design and color, and the junior art class beginning the practice of still life sketching.

The Draftsmen's Guild

The Draftsmen's Guild, a senior drawing class organization under supervision of the Reverend Gerald W. E. Dunne, A. M., Litt. D., and Mr. Bernard Carter, has completed another successful year. Although no special drawing project was undertaken, the '38 class had the distinction of being versatile.

During the first half of the year drawings were made of the '37 Ford V8 motor donated last year by Mr. Henry Ford. The outstanding works were the generator by Lawrence Stoeckley, the transmission housing by James Fitzgerald, the water pump by Albert Bowman, the crankshaft by Chester Kowalski, and the camshaft by Robert Kraemer.

Next in line was the work done in composing Father Dunne's scrapbook, "The Hall of Fame," which contains the most outstanding drawings completed during the last ten years under Father Dunne's teaching. These drawings place Central's drafting classes as the foremost in the country. This year's class is represented in the scrapbook by the drawings of Robert Kraemer.

Later in the year Lawrence Stoeckley and Robert Kraemer completed an original design of a house, including the floor plans and elevations. The plans, drawn for a prelate here in Toledo, are part of an idea to be made known later.

Toward the latter part of the year, to complete a well balanced course, the class was given a study of fundamental surveying. Each member took his turn on the transit, chain, range pole and the other instruments, until the school, the football field, and the campus were plotted. After all the facts were obtained the class laid out the grounds on drawing boards and the survey was complete. The study of surveying is not an essential part of a course of high school drafting, as it is taken in college under civil engineering. This fact only gives more evidence of the advanced course given by Father Dunne at Central.

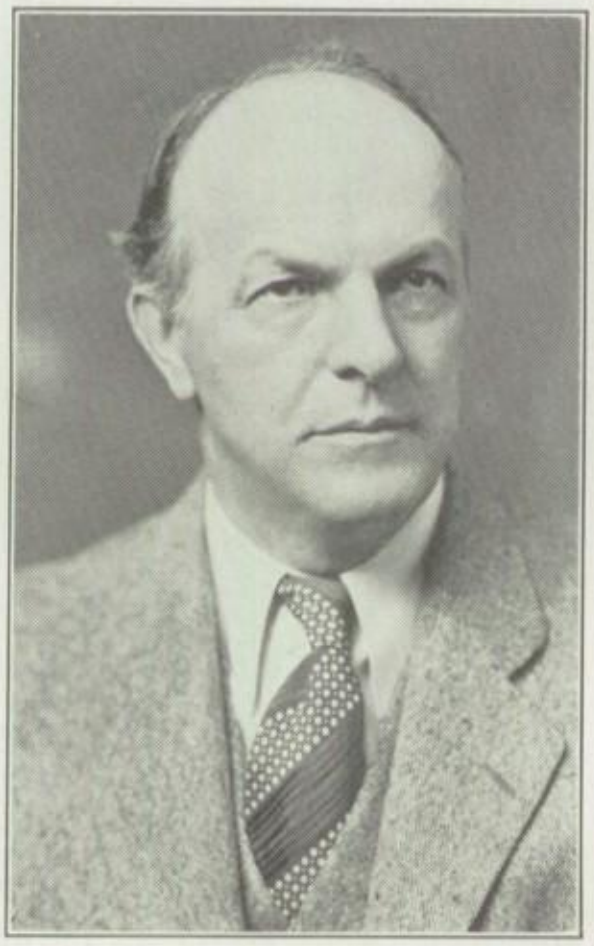
The work of the Guild, which actually begins after graduation, is to enable graduating draftsmen to acquaint themselves with the older members of the Guild, working as professional draftsmen, in order that they may in the future place themselves in shops about the country.

The officers of the Guild this year are: President, Robert Kraemer; vice-president, James Fitzgerald; secretary, Albert Bowman; treasurer, Chester Kowalski; sergeant-at-arms, Leonard Piotrowski; chairman, Raymond Montrie.

Other members are Leonard Matuszak,Lawrence Stoeckley, William Dudley, William Cameron and Francis Makley.

Music

The Glee Club



MR. JOSEPH SAINTON
Director of Music

Central is fortunate in having at the head of its music department, Mr. Joseph Sainton, who, besides directing the three musical organizations of the school, the band, orchestra, and glee club, is also the director of the Toledo Philharmonic Orchestra. Under his guidance and supervision these organizations have progressed from untrained students into finished products.

Besides playing at the Senior play "Secret Service," the orchestra, cooperating with the Glee Club, gave a splendid presentation of the Musical Comedy "The Mikado." The band adds color and enthusiasm not only to the assemblies but also to the football games throughout the season.

The picture shown was taken at the Assembly of November 17, when the three organizations combined presented a musical program. Playing from the floor, the band opened the program with "Norembega," "Siba" and "The Tenth Regiment." The orchestra, arranged on the stage gave their interpretation of "Il Trovatore" and "Luna Waltz," while the Glee Club seated on the bleachers on the left of the auditorium rendered "Italian Salad," "Going Home" and "Hallelujah."

Of the twenty-eight members in the orchestra, Miriam Aubry proved to be a capable president assisted by William Fish, vice-president; Marvin Paule, secretary; and Robert Kraemer, Albert Bowman, Rosemary Tremp and Margaret McTigue, librarians.

The band, numbering fifty-four students, is headed by Harold Aubry, president; Robert Daly, vice-president; Norine Krupp, secretary; and Doris Cumisky, Rita Gens, and Eleanor Wallace, librarians.

One hundred and four students are members of the Glee Club.

Sister M. Camillus, O. S. F., is faculty moderator of the music department.

Dramatic Department

The Dramatic department of Central under the supervision of Ida Talty Adams, who has long been associated with Central plays and operettas, has flourished into a well known organization. During the course of the current school year the Dramatic Club presented the senior class play "Secret Service" and the musical comedy "The Mikado." At both presentations, staging was in charge of Mrs. Adams but the musical scores in the play and the operetta were directed by Mr. Joseph Sainton, director of the orchestra and glee club. Sister M. Callista, O. S. U., is moderator.

"SECRET SERVICE"

The senior class play "Secret Service" was a tense four-act drama of spies and Civil War days by William Gillette. The cast which had to acquire a southern accent was commended on their splendid portrayals of southern belles and gentlemen.

The setting of the play is Richmond, Virginia, with the story centering around Lewis Dumont, a Confederate Captain. Edith Varney, a young southern belle falls in love with Dumont and finds that he is a northern spy. In a thrilling gun scene Dumont is captured by the Confederates but the shame of punishment is lessened when Edith declares that she will wait for him until his prison days are over.

Nanki-Poo, the son of the Mikado in Titipu, Japan, runs away from the court rather than marry Katisha. As a traveling minstrel he goes from town to town. He falls in love with Yum-Yum, the ward of Ko-Ko, who has planned to marry her.

At this juncture, Ko-Ko is ordered by the Mikado to officiate at an execution. Nanki-Poo agrees to be the victim if he be allowed to marry Yum-Yum and live with her for a month. Alvin J. Sacksteder
Athletic Director

Working without the aid of a large staff, Alvin J. Sacksteder, athletic director and head football coach at Central, has just completed his thirteenth year of athletic coaching.

When DeSales college was founded two years ago, Al, as he is known and called by most of the students, accepted the position of athletic director at the new diocesan college, where his duties have forced him to resign from the position of head basketball coach at Central.

In his years of service for the Scarlet and Gray, besides building up a reputation of developing high calibre athletic teams, Al has established a reputation for honesty and justice in all his dealings with athletes.

Though DeSales is rapidly growing and Al's duties there will increase with the development of the school, it is the desire of his friends that he will always be attached to Central in some capacity or other.

Glimpsing the Season

When we say that Central is the school of the Fighting Irish, we mean the Fighting Irish. Central's team may have been outplayed and outsmarted, but they were never outfought.

The gridders of 1937-38 led by Robert Mee, won three games and lost six. After a good start by swamping Dayton Steele and Tiffin Junior Order, they lost successive games to Libbey, DeVilbiss, Warren and Waite. On October 30, the Cherry Street boys returned to the win column by beating Woodward 24 to 6, only to drop the last two games to Scott and Cathedral Latin.

Football

ROBERT "CORK" LENNEX—

(Center, 167 lbs., Senior)

Bob's ability to open up holes on offense and to back up the line on defense, made him one of Central's most valuable players.

EDWARD "EDDIE" RYBARCZYK—

(Halfback, 155 lbs., Senior)

Eddie showed his proficiency in bullet-like passes which earned the Irish many a badly needed yard.

THEODORE "SPARKEY" SARAHMAN—

(Halfback, 147 lbs., Junior)

Another star illuminating the backfield, at his best in finding his way down a broken field, his agility at dodging being the feature of his playing.

FRANCIS "WATCH-POCKET" HAUGH—

(Guard, 142 lbs., Senior)

This guard had a firm and persuasive way of dealing with anybody who attempted to slip through his part of the line.

JEROME "JAKE" JAEGLE—

(End, 159 lbs., Senior)

At the end position "Jake" seemed to have an uncanny knack for catching seemingly impossible passes.

ROBERT "RED" MEE, CAPTAIN—

(Fullback, 173 lbs., Senior)

Bob was always ready to gain a few extra yards for the Scarlet and Gray, with his line smashing plunges.

ROBERT "BUZZ" BRANNAN—

(Right Tackle, 163 lbs., Senior)

Is the strong man of Central. Probably some of the opposing teams are as well aware of this as we.

WILLIAM "HUNKY" FARKAS—

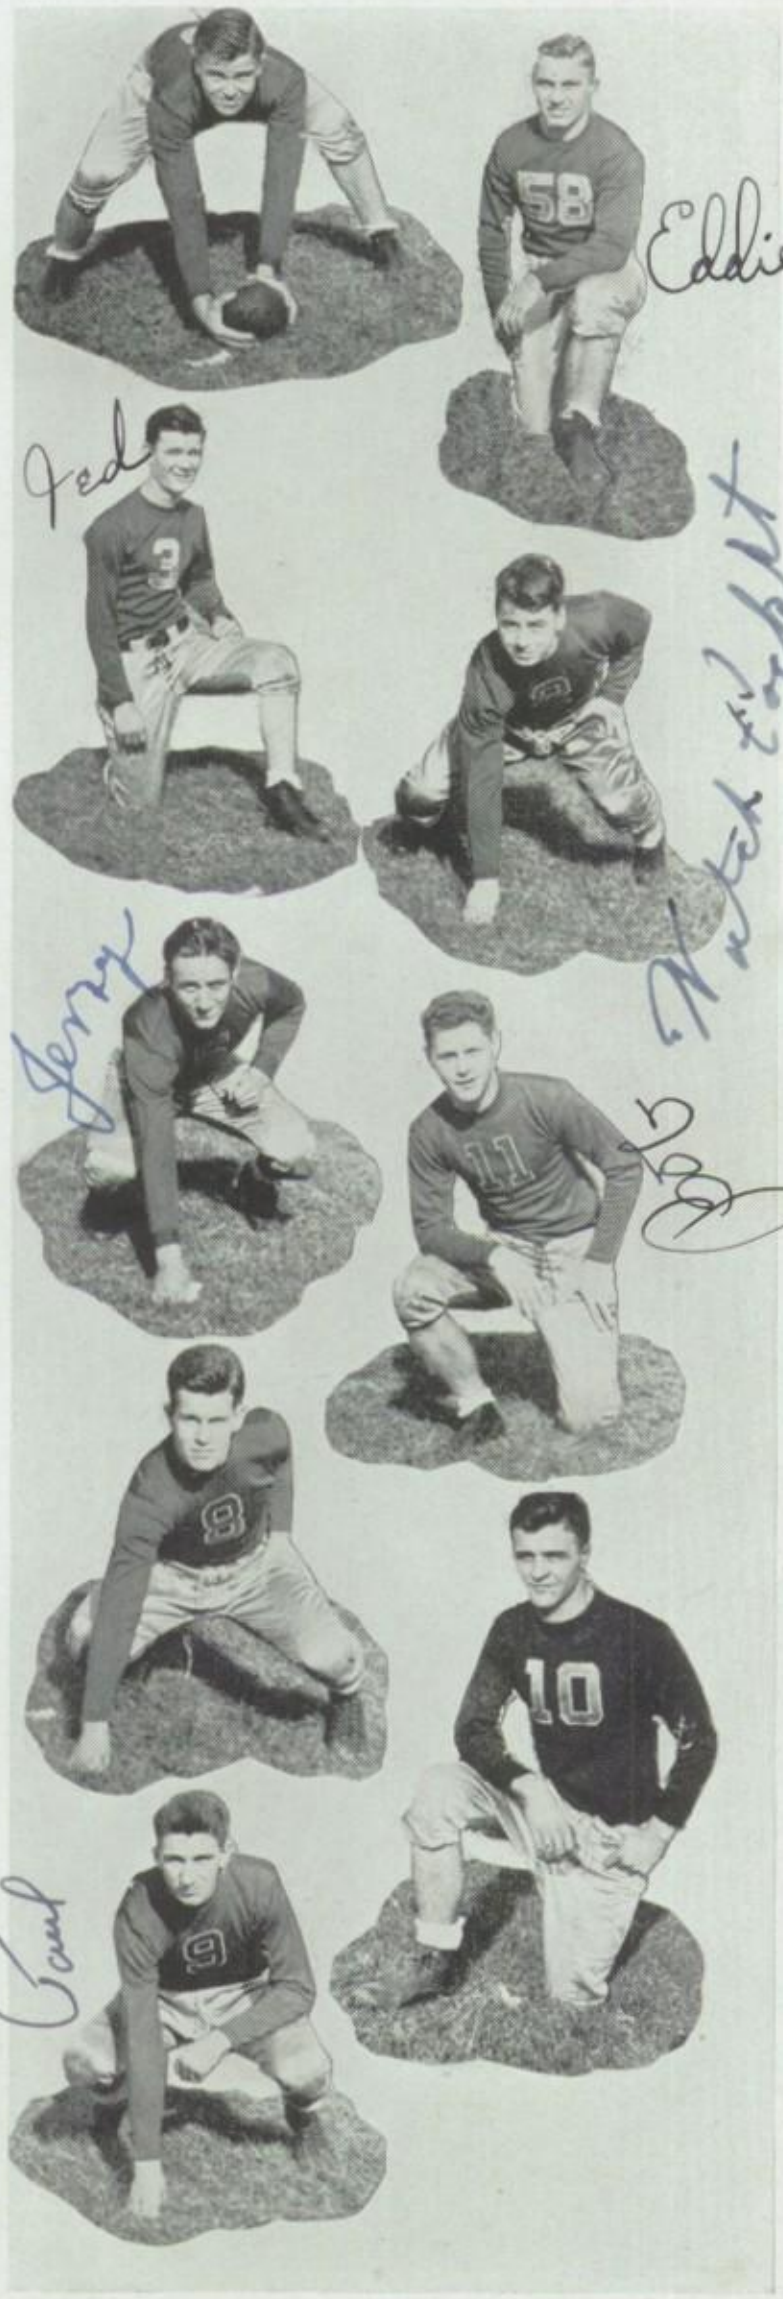
(Quarterback, 162 lbs., Senior)

One of the mainstays of the team. He displayed admirable ability in field generalship and seldom met his equal in punting.

PAUL "CURLY LOCKS" O'ROURKE—

(Left Tackle, 173 lbs., Senior)

Has a fighting face that is most disturbing to the morale of the enemy. The backs learned to depend on Paul for gaping holes on his side of the line.



Football

ROBERT "SPIKE" AMON—

(Right End, 148 lbs., Senior)

Knows how to stop end runs and grab passes. In fact, he's a real wingman. Sorry to see you leave, Bob.

EMERY "IRISH" MOLNAR—

(Right End, 162 lbs., Senior)

Another valuable end whose loss by graduation will be felt. Too much credit cannot be tendered him for his work in the Scarlet and Gray ranks.

WILLIAM "BILL" McCARTHY—

(Guard, 153 lbs., Senior)

One of the most stalwart of the defensive men who will be lost by graduation.

RICHARD "DICK" STRUGAREK—

(Left End, 159 lbs., Junior)

A veteran lineman. The kind Central is looking for. Let's see you go next year, Dick.

ENNIS "BUD" CHANDLER—

(Halfback, 149 lbs., Junior)

In the backfield in the process of development. More will be heard from him.

JOHN "MAC" McCANN—

(Center, 159 lbs., Senior)

An accurate center with plenty of drive and endurance. "Mac" will be sorely missed when next season rolls around.

DONALD "STUBBY" ROSSLER—

(Guard, 145 lbs., Senior)

Is a lineman of the first order, but was handicapped throughout the season by lack of weight.

WILLIAM "BILL" ASHE —

(Tackle, 167 lbs., Senior)

A big man on the line. We cannot recall a gain through his side of the line by the opposition.

CARL "KARLOFF" SPENCER—

(Halfback, 165 lbs., Junior)

Another look into the future and here is another center looming large.

MELVIN "MEL" SIWAJECK—

(Halfback, 165 lbs., Senior)

Was proficient in picking holes in the enemy's line and in taking advantage of them.

Basketball

Mr. James McCarthy
Asst. Athletic Director

Completing his first year as head basketball coach, Mr. James McCarthy really showed that the "proof is in the pudding," as he turned out a high scoring quintet, which well earned second place in a torrid city race.

Mr. McCarthy, who is a member of the class of '29, has remained active in sports since attending Dayton University, where he participated in football, basketball and baseball. After graduation he broke into pro baseball and joined the major leagues with the Cincinnati Reds. An injury prevented him from continuing in the professional field. It was last year that he returned to Central as a coach, and in two seasons has developed a lightweight basketball team, a second place varsity team and two fine lightweight football teams. In addition, he is also assistant baseball coach.

Having capably filled the big hole left by Mr. Sacksteder with a second place varsity team, he is certain to turn out great teams in the future.

Has the envied knack of basket shooting and has displayed this ability on several occasions when the McCarthymen were sorely in need of points.

A veteran from the 1937 championship squad, whose steady work has won him recognition. This Irish lad proved to be especially effective on the defense.

(Forward, 5 ft. 9 in., Senior)

Bob was a reliable player and an accurate shot, a conscientious lad with ability. Your absence will be missed next year, Bob.

REVIEW OF THE SEASON—Continued

JANUARY 23: CENTRAL AT DELPHOS—After holding a three point lead at half time the Scarlet and Gray went on to win by the score of 36—31 over St. John's of Delphos, Ohio.

JANUARY 25: WAITE AT CENTRAL—Central ran into a number of tough breaks as they met the Waite Indians in the Cherry Street gym. Strugarek put 13 points through the rim, but the Irish came out on the short end of a 29—24 count.

JANUARY 28: CENTRAL AT LIBBEY—Smashing the Scarlet and Gray fast break on the small South End floor, the Cowboys held the Centralites to one point at the half, while Libbey scored eight. Adams led the Irish in scoring as they came out for the second time on the short end of a 20—19 score.

FEBRUARY 1: CENTRAL AT WOODWARD—Invading the large Woodward gym, the Irish's fast break became effective, Radecki sinking 10 points to lead the team to a well earned 33—30 victory over the North Enders.

FEBRUARY 4: CENTRAL AT DEVILBISS—DeVilbiss was unable to stop Central as Powell pushed 13 points through the hoop. The game was hard fought as Central won another by the score of 34—25.

FEBRUARY 7: SCOTT AT CENTRAL—Overcoming a 20—15 Bulldog lead at half-time the Cherry Streeters went on to make 23 points in the second half to score an impressive 38—36 victory over the Scotters. Adams led the Irish with 12 points.

FEBRUARY 15: CENTRAL AT WAITE—Meeting the uncrowned city champs in the east side gym, the Irish failed to show the necessary punch as they went down to a defeat 39—34 at the hands of the Waiteers. Ralph Powell proved to be the lone Central consolation as twice he put on a one man scoring spree.

Managers and Cheerleaders

Left to Right: Dean Neumann, John Stoeckley, Victor Lykowski, Daniel Wilhelm, Robert Miller and James Norton.

The managers are the unseen force behind Central's athletics. They are always on hand to care for the equipment and to serve the players. Their work is the most felt, yet the least realized.

When the team is having a bad season the cheerleaders are most appreciated. They must be true sportsmen and represent the school as such.

Golf Team

The Golf schedule consisted of matches with De Sales College, Libbey, Scott, Vocational, DeVilbiss, Waite and Woodward.

The Golf Team: Edmund Mowka, Robert Amon, Paul Effler, George Knight, Robert Davis, Charles Etue, Robert Kirschner.

Girls' Sports

Miss Mildred Mohr, A. B.,
Girls' Athletic Director

Miss Mildred Mohr has now completed her fifth semester as girls' gym instructor at Central. During the course of the week Miss Mohr conducts twelve gym classes. In addition to the regular physical training program, she includes basketball, hitpin, newcomb and volleyball in her athletic teaching.

Miss Mohr received her A.B. degree from Mary Manse College, and completed her physical training work at Ohio State University.

G. A. L. Play Days

Mix together hitpin, pop, newcomb, cake, volleyball, hot dogs, basketball and noise; stir well, pour out and you have a sample of a G. A. L. Play Day.

So far this year the G. A. L. members have enjoyed two Play Days and anticipate a third one the latter part of May.

At the May Play Day fifteen girls who have merited the highest number of points throughout the year, will be awarded G. A. L. monograms.
